The number of Divisions maybe reduced depending on entries.

Trophies will be awarded to the winners and runners up in each Division. All players will receive a participation medal and additional prizes will be presented to the 1st and 2nd highest ranked boys and girls in the challenger series at end of the season.

Ranking points will be awarded to participants based on their performance in each event, with players results from all 8 events counting towards a separate Challenger Series ranking list. Results will also be used to produce a rating for each player to assist tournament organisers grade players into the most appropriate division. Additionally, a player's final position on the Challenger Series ranking list will determine their seeding for an end of season Finals tournament.

Entry fee is £10.

The top 15 Junior Boys, top 8 Cadet Boys and top 8 Junior Girls in Irish ranking lists are excluded from Challenger events.
